29th November 2017

To Donna, Brook, Dave and all the Team at North Cronulla SLSC,

We just wanted to say a big THANK YOU to you all for hosting us at your Nippers on Sunday 19th November.

We had a great day, and learnt lots to take back to our club with us. All our nippers thoroughly enjoyed the experience and are looking forward to next year again.

You made us all feel very welcomed and involved and it was greatly appreciated.

I would also like to thank you for your ongoing training support for our nippers as well. I know I personally have my three kids at the Thursday afternoon board training session along with some other Garie families and the improvements in them during that time has been amazing. Their confidence has grown so much as well.

I did want to extend our club to you if we can help you out in any way. I know we don't have a lot to offer skill wise, but we are more than happy to accommodate you in any way we can. I have spoken today to our Club Captain Greg Betts about the possibility of you coming down for a dads bonding weekend (mentioned at our nipper visit) and we would be more than happy to accommodate that. If there are any other groups that may want to use our club facilities and beach please let us know. Perhaps there is an IRB team that may want a training weekend, or an Under 14's bonding weekend, or SRC group, a skills weekend, perhaps a committee season planning weekend, what ever you might require.

It would be easier to do these in the off season, but we can do some during season, but the dates would depend on club house availability as we have visiting clubs who stay when they patrol for the weekend.

I know your calendar is full now, but maybe next year North Cronulla nippers could come for a visit to Garie?

Again, I just wanted to say thank you to you all, it is truly greatly appreciated.

Let me know if you are keen for any visits to our clubhouse.

Thanks again!

Kindest Regards

Bel Eshman
