SLSNSW is excited to announce the opening of applications for the 2013 Development Networking Program!

The Development Networking Program is provided to members 18-25 years old from all areas of the organisation. The program is a jam packed weekend filled with games, communication, networking, workshops, high energy discussions, personal development and key speakers – just to name a few! The program focuses on developing individuals and exploring the skills and talents they bring to Surf Life Saving. It's all about having a great time with like minded people, while discussing the issues that matter to you.

The program is provided at no cost to participants with all expenses covered by SLSNSW. It will start on Friday afternoon 22 November and will run until Sunday afternoon 24 November 2013. The program will be held at Sydney Harbour YHA in The Rocks, Sydney, providing a fantastic opportunity for participants to be in the heart of Sydney, with iconic views in relaxed and modern facilities.

Desirable participants will be a minimum of 18 years of age and no older than 25 years of age. Participants must be current and financial members of a club. There are no restrictions on what your interests are in surf life saving; there is no minimum patrol hour requirements; there is no number of medals you must have won in competition; but participants must have a passion for Surf Life Saving and want the opportunity to develop and network their personal development pathways.

To apply for the program please complete the following registration form along with the required information. Applications should be submitted to your branch office or representative with your club endorsement already signed. The branch will then submit your application (preferably by email) to SLSNSW, marked attention to Laura Hough Member Events and Recognition Officer, and you will be contacted regarding its status. Applications will close with SLSNSW on Monday 7 October 2013.

If you have any questions about the 18-25 Development Networking Program, please contact Laura on (02) 9471 8034 or via email on [lhough@surflifesaving.com.au](mailto:lhough@surflifesaving.com.au).
